## Hosting The Race

The Dorchester Skipjack Committee once again is coordinating the Annual Choptank Heritage Skipjack Race in Cambridge. Since the race's debut in 1997, the skipjack Nathan of Dorchester has been honored to act as the host-city vessel for the event.

## Racing For Pride

This is a race for pride, not prize. Each skipjack that participates receives equal show-up money. This is a race to preserve a vanishing heritage—and, of course, for bragging rights! Winning captains have their names engraved on the Heritage Cup Trophy, established by the National Bank of Cambridge, and receive smaller versions of the cup, engraved to commemorate their wins.

The only other skipjack race still being held on the Chesapeake Bay is the annual Deal Island Labor Day Skipjack Race, which has been held for more than fifty years.

## Join us by making a donation to the Choptank Heritage Skipjack Race

Your donation goes directly to the Race, supporting its activities and promotion, show-up money for the skipjacks, and building future efforts at keeping these unique Chesapeake Bay vessels alive.
